

Vilja is "just" a companion. But that is sort of like saying a phoenix spouting fire and swooping down on a Premium battlefield is "just" a bird. — VoxClamant I didn't really set out to make a follower, I set out to make an Inigo. — Smartbluecat Reply A Report GroundAura Sent Today, 03:18 AM Journeyman Alright. Sorry to keep bothering you. I just like to have as much information as possible. Members 35 posts **Favourite Game:** Skyrim Reply A Report Delete 🚂 Edit **Archive Conversation Fast Reply**
